

The Kia EV9.

Accessories.

Movement that inspires

A world of Genuine possibilities.

Your EV9 has been designed to exceed your highest expectations. And because there are so many different ways to enhance your life with its diverse capabilities, we have developed an extensive range of purpose-designed accessories to satisfy your own specific lifestyle preferences. All are manufactured from high quality materials – many of them sustainable or recyclable – to Kia's own rigorous standards. So they all complement your car's design and fit perfectly. Proof that they are Genuine!

Fully charged with Genuine quality.

Genuine quality is much more than superficial. It extends to our Mode 3 Charging cable which is compatible with fast AC charging performance from most available AC charging systems. So you'll be back on the move in good time.

Unbeatable quality. Because it's Genuine.

You only need to take a close look at our roof transport components to understand the care with which they have been designed and manufactured. They provide the sturdy basis for numerous roof-mounted items that can be combined to provide safe, secure transport for whatever you plan to take with you.

Life is what you make it.
Genuine all the way.

Alongside its boundary-expanding character, the built-in versatility of your new EV9 is seriously impressive. And if you let your imagination run free you'll discover a wide choice of purpose-designed accessories that can open your eyes to a world of opportunities to extend your active lifestyle.

Set your own transport limits.

Adventures often start as a dream. And we can help them become enjoyable reality with your personal selection of our Genuine accessories. Our sturdy tow bars provide the rugged basis for our transport accessories, all of which are designed to be easy to use, and each conforms to existing safety and legal requirements.

Enjoy the environment. With a clean conscience.

Manufacturing your EV9 involves many sustainable materials, so it is no surprise that our accessories also follow this principle. Perfectly fitting, robust weatherproof items protect the trunk area, while a selection of tailored foot mats is available to add even more comfort to the interior. These accessories include a significant proportion of sustainable components, some of which are up to 90% bio-based. These also include ECONYL® – a material recovered from maritime fishing nets.

Impressive design. That's Genuine.

An eye-catching set of alloy wheels can transform the character of any car. But it's vital that you choose wheels that have been designed specifically for your EV9. First, because the designers have created an appearance that complements perfectly the design language of the EV9. And second, because they have been engineered to match and enhance its dynamic qualities too. Each is homologated to meet all applicable legal requirements.

Add your own touch of style.

1. Alloy wheel 19", Gaori, graphite

TPMS – Tyre Pressure Monitoring System.
Always stay on the safe side – with genuine sensors for optimum tyre functionality. This TPMS kit lets you keep checks on the air pressure in your tyres at all times. Set of 4. LP52940BV100K (not shown)

Give your ideas room
to grow.

Your EV9 is designed to help you make even more out of its built-in capabilities. Our roof-mounted carrier systems provide the secure basis for numerous possibilities that extend your transport capabilities wherever you're going. And they meet all applicable safety regulations.

Side steps. More style, more comfort: these robust matt aluminium steps bring a new iconic boldness to your exterior styling. And ensure easier access to the cabin. Featuring anti-slip rubber inlays they can carry up to 200 kg. DOF37AC400

Roof box 330 & 390. Heading off on holiday, you'll probably need more luggage space than usual. Before you start cramming things in your cabin, enjoy the comfort of this sleek and durable roof box. Easy to install and with dual side opening for extra-fast access, it provides a space-efficient compartment. Carries up to 75 kg. Lockable for added security.
66730ADE11 (roof box 330/dimensions: 144x86x37.5cm/volume: 330 L)
66730ADE01 (roof box 390/dimensions: 195x73.8x36cm/volume: 390 L)

Bike carrier Active. Make the most of an action-packed day out riding. Load and unload your bike with ease – thanks to its quick-lock frame holder, smart wheel holders and adjustable quick-release straps. It can carry up to 17kg and features a secure lock too. 66700ADE10

Bike carrier Pro. Make light work of loading and unloading your bike – simply and safely. Once resting on the frame holder, you can adjust and secure your bike single-handedly at roof height using the convenient rotary knobs. Carries up to 20 kg. Lockable for added security. 66700ADE00

Ski & snowboard carrier 400 & 600. A reliable travel companion for your future winter adventures. The "Ski & snowboard carrier 400" is capable of holding up to 4 pairs of skis or 2 snowboards and is lockable for added security. If you need even more room, you can opt for the "Ski & snowboard carrier 600" for up to 6 pairs of skis or 4 snowboards. 66701ADE11 (carrier 400), 66701ADE01 (carrier 600)

Cross bars, aluminium. The more you can load, the more you can enjoy. Light and easy to install, these strong and perfectly fitting aluminium cross bars help you transport all you could possibly need on your next adventure. Only suitable for cars with OE roof rails. Fits to vehicles without and with panoramic sunroof (opening is restricted). Consult your dealer for maximum payload.
DO211ADE00ALGL (GT-line), DO211ADE00AL (Baseline)

Tow bar wiring, 13-pin socket. Installation uses original vehicle connectors and a multifunctional trailer module which amplify all necessary signals and communicates also with the vehicle. Compatible with both conventional bulb and LED trailer lamps.

The park distance warning system and rear fog lights are automatically switched off when a trailer/bike carrier is connected & detected.

With the new trailer lamp control feature, a notification is sent via vehicle cluster when a tail, brake, or indicator light malfunction.

For your safety and comfort, various other Advanced Drive Assist Systems of the vehicle are also automatically deactivated when a trailer/bike carrier is connected & detected. For more information, please check the vehicle owner's manual or contact your dealer.

Available with a 13-pole waterproof socket housing. Adapter is available to temporarily change 13-pole vehicle to 7-pole trailer/caravan adapter): E919999137

Please consult your dealer for all functions of these products and for the maximum towing capacity and vertical load for your vehicle.

Bike carrier for all tow bars. The ideal companion for cycling holidays or day trips out. Designed for maximum enjoyment and minimum hassle. It can carry 2 bikes with a maximum payload of 60kg. Easy to load, it is theft-resistant and you can even open the tailgate with your bikes on the back! E823055001 (LHD only)

Tow bar, detachable. Whenever you have substantial cargo in tow, this top-quality corrosion-resistant tow bar is ideal for efficient transportation. The tow ball can be detached simply, securely and discreetly. Please consult your dealer regarding the maximum towing load capacity for your vehicle. DO281ADE00

Tow bar, retractable (full-electric). Would you like to combine even more comfort with efficient transportation? Deployed and retracted via a switch located in the trunk, this top-quality, fully-electric tow bar conveniently folds up and sits invisibly behind the lower bumper when not in use. Please consult your dealer regarding the maximum towing load capacity for your vehicle. DO285ADE00

A perfect blend of comfort
and sustainability.

Textile floor mats, velour (ECONYL®). The ECONYL® velour floor mats are manufactured from a material which has been recovered from maritime fishing nets. These high-quality mats are just as comfortable and resilient as conventional velour mats. They are tailor-made to fit the footwells perfectly and are held in place by the standard fixing points and anti-slip backing. Please refer to the table for the part numbers.

All weather mats. Whatever adventure you've been on, don't worry about wet, muddy or sandy shoes when you get back in the car. These durable and easy-to-clean floor mats protect the whole of your cabin floor. With a customized shape, and fixing points to hold them firmly in place. They feature distinctive design that matches perfectly with the trunk liner which follows the same theme. Please refer to the table for the part numbers.

Trunk mat, reversible. Enjoy double the protection with two flippable surfaces – high-quality velour on one side, and a resilient dirt-resistant finish on the other – to suit the whole range of different transports life brings with it. With press buttons for fixation of the bumper flap. DO120ADE00E (6-/7-seater, set of 2 pieces)

Bumper flap for trunk mat. Make sure your rear bumper is protected while loading and unloading, or when dogs jump in and out. It attaches to all trunk mats, quickly folds out when in use, and is just as fast to fold away or detach when you are finished. 66120ADE00

Trunk organizer, foldable. Perfect for quickly organizing and securing any kind of supplies, folding away flat making room for your next errand. With practical carrying straps and handles for convenient transport outside your car. 66123ADE01

Trunk liner with extension. However wet, muddy or grimy things get, this custom-made liner made from 80% bio-based sources will protect your trunk area. It is durable, anti-slip and waterproof with raised edges. DO122ADE00E (6-/7 seater)

Trunk liner extension. Specially designed to keep the backs of your folded seat of 2nd row in top condition when carrying potentially damaging long and rough items. Easy fixation with Velcro. Made from 90% bio-based sources. DO128ADE00E (for 2nd seat row, 7 seater only)

Rear bumper protection foil, transparent. Enjoy peace of mind when loading and unloading frequently-knowing that the top surface of your rear bumper is reliably protected from possible scrapes and scuffs. DO272ADE00TR

Mudguards, front and rear. In bad weather and on rough terrain, protect the underbody, sills and doors of your EV9 from excessive dirt, slush or mud-spray with these sleek, custom-made mudguards. DOF46ACA00EU (front) DOF46ACF00EU (rear)

Charging versatility.

Kia Vehicle-to-Load (V2L). Get 220 V of alternating current to power your devices, outside the Kia EV9. Fully charged, its Vehicle-to-Load feature offers 3.0 kW of power, enough to run a large TV screen or a medium sized air conditioner for 24 hours. Simply attach the V2L connector to the charging outlet. Only for EV. Bag is included. DOH68AK0R0 (EU), DOH68AK0E0 (UK), DOH68AK0E1 (only Denmark)

Mobility dock. When convenient public charging points are not available, this compact and efficient Mobility dock is the perfect solution. It converts any standard household socket into a charging solution for your EV9. It is CE compliant, requires a Type 2 charging cable, and takes up very little on-board space. The maximum charging power is 2.3 kW. Its integrated control system monitors and regulates the charging process, detecting any DC and AC errors and automatically preventing overheating. 66635ADE00EU

Charging cable, Mode 3. Fast charging (AC) your EV9 could not be easier and faster. The charging cable, Mode 3 is equipped with Type 2 plugs at both ends and can be used for the day-to-day charging at public and domestic charging points that provide Type 2 sockets. High-grade materials make this charging cable extremely resistant to severe twisting or bending and extensive weatherproofing excludes the possibility of corrosion. Secure automatic locking to both the car and the charging point is provided by the Type 2 plugs. Bag is included.
66632ADE023A (3-phase, Type 2, 32 A, 5 m)
66639ADE91 (bag only)

Smart card key. With all the same button functions as your car key, this slimline card fits snugly in a wallet and can be recharged while driving using your car's wireless charging pad. Only for vehicles with the remote smart parking assistant (RSPA).
DOF57ACC80 (only matching with 95440DO060 FOB key)
DOF57ACC90 (only matching with 95440DO070 FOB key)

Folding table. Not only for picnics, this sturdy and height-adjustable folding table can be useful for any number of purposes. It folds down to fit neatly in the front trunk of your EV9, and is supplied with its own carrying bag. DOH12AZ000

Portable projector screen. Make the most of your spare time when camping or even taking a break on a journey. The screen is made to fit perfectly across the trunk of your EV9 for perfect viewing using a beamer. It folds together for easy portability in the accompanying bag. DOH15AZ000

Tailgate trim line. Tailgate trim line, satin chrome look. Made-to-measure, made-to-impress: add a stylish edge to your tailgate with this trim line. It's eye-catching from the rear, as well as emphasizing the other exterior styling features from every angle. DO491ADE00CL (set of 3 pieces)

Add more style to your life.

Warning light. Make sure your vehicle is seen from far whenever oncoming traffic needs to be warned. The warning light rotates full 360° for improved visibility and increased safety. Magnetic mounting makes attaching it to the roof quick and easy. 66945ADE00

Safety vest. Give your safety top priority with this high-visibility neon vest with reflective strips for maximum visibility in daylight and darkness. Easy to stow in the door storage, it complies with EN 20471, and is a legal requirement in most European countries. One size fits all. 66941ADE01 (one vest)

Your safety. Our priority.

Our state-of-the-art safety technology will help keep you safe on the road. But it's always good to be prepared for the unexpected with accessories to protect you further.

Safety bag. Make sure you're fully kitted out for unforeseen scenarios on the road. This safety bag contains two safety vests, a warning triangle and a first aid kit that complies with current DIN 13164:2014, a legal requirement in several European countries. 66940ADE01

Warning triangle. Be prepared in unexpected situations. If your vehicle gets stranded, this high-visibility, lightweight triangle provides effective warning to approaching vehicles. Lightweight, stable and foldable. It complies with the current quality standard ECE-R27, and is a legal requirement in most European countries. 66942ADE01

Safety hammer. Don't take pains to get to safety. Let the hammer do the work. Just press it gently to the window. The ultra-hard ceramic head will jump out, smash the pane and immediately retract to be used again. The non-slip handle is equipped with an advanced seat belt cutter. 66946ADE00

Take pride in your Kia.

It's never been easier to show the pride you have in your new Kia. And it's great when you can do it in a way which reflects the style and refinement of your car. So, for you, we have developed the Kia Collection, a selection of products that helps express your pride with elegant style.

EV9 insulated bottle. This EV9 insulated bottle keeps your beverages hot or cold for hours, reducing the need for single-use containers. A sleek and practical companion for your on-the-go lifestyle. 66951ADE4801 (Kia city gray), 66951ADE4802 (Kia forest green)

EV9 beach towel set. Complement your beach experiences with these stylish EV9 beach towels. Made entirely from recycled materials they demonstrate your care for the environment, and are very comfortable to use. 66951ADE2201

EV9 T-shirt. Unleash your passion for electric mobility with this stylish and comfortable T-shirt. It offers a soft and breathable feel, perfect for everyday wear. Made from organic cotton, the EV9 T-Shirt is a statement piece that embodies your eco-conscious lifestyle. Please refer to the table for the part numbers.

EV9 key ring. Carry the spirit of sustainable driving wherever you go, celebrate the future of electric mobility with the stylish EV9 key ring. 66951ADE2703

Kia eco sunglasses. Coffee ground sunglasses can contribute to reducing the carbon footprint of the eyewear industry. Traditional sunglasses often rely on energy-intensive manufacturing processes and generate significant greenhouse gas emissions. In contrast, repurposing coffee grounds requires less energy and emits fewer carbon emissions. 66951ADE55

Kia eco baseball cap. A comfortable unisex cap, one size fits all. Each cap is ecologically manufactured by using material from used plastic bottles. With Kia branding and an easily adjustable Velcro fitting. 66951ADE2401

Step up to a new level of practical style.

There's no doubting the proven functionality of our transport accessories.
And it's good to see that they also look so attractive from different angles.
Especially the side step!
